L'Inde, autrement

To Whom it may Concern

On behalf of Association Duppata I would like to thank Ms Padmaja Srivastava a member of Duppata for her relentless services to promote various tribal artists. We appreciate her approach to give these artists a platform they deserve.

She has coordinated and assisted for the various events organized by our association in France, every year, since 2014 till present day (different cities like Lyon, Avignon, Saint Remy de Provence, etc.).

We are waiting for her at the end of this year 2018 (in Paris)

We are waiting for her in May 2019 (Galerie de la Tour in Lyon and Mairie de Caluire)

We appreciate her hard work and her endeavors towards the exposure of various tribal and folk art forms of India.

Regards
